Chemistry Auditorium, Room 102

231 South 34th Street

**Presented by CEO of SpaceX and Tesla Motors
Elon Musk, C'97 W'97, this informal lecture will
be followed by an audience Q&A.**

Elon Musk is an alumnus of the School of Arts and Sciences and the Wharton School. He is the co-founder and current CEO and CTO of SpaceX (Space Exploration Technologies), which develops and manufactures low-cost space launch vehicles; CEO and Product Architect of Tesla Motors, which builds the all-electric Tesla Roadster; and primary investor and Chairman of the Board of SolarCity, a photovoltaics products and services startup company. Mr. Musk was also formerly the largest shareholder of PayPal.
