(Please contact me by e-mail rather than via Canvas.)

Office: DRL 2C9

Office Hours: Tuesday & Thursday, 7:30-8:30 AM.

**Homework:** Due at 4 PM on Friday. Please submit it by sliding it under the door to my office, DRL 2C9. (Please do not submit it to my mailbox in either the Math Department or Physics Department Office.)

On the upper right hand corner of your assignment, please write:
1. Your full name as it appears on your Penn ID Card (e.g. Robert T. Smith). This is true even if you go by an alternate name (Bob Smith).
2. Which section you are in (e.g. Section 201, Section 202, Section 204).
3. Homework Assignment Number (e.g. Homework 2).
4. Due Date (e.g. Friday, September 12, 2014)

If all you are doing is submitting your homework, please do NOT knock on my door prior to submitting your assignment; just slide it under the door.

Please staple your homework prior to submitting it.

Late Homework will not be accepted; but I will drop your lowest homework score.

**Quizzes:** Quizzes will be distributed every section unless you are otherwise notified. You will have 10 minutes to complete them. You cannot make up a quiz; but I will drop your lowest score. In extreme circumstances (e.g. hospitalization, death in the family), please contact the instructor, Prof. Pimsner, and we will work out an arrangement.

Homeworks and Quizzes are each worth 7.5% of your total homework grade so together they are worth 15%.
