American Association of Physics Teachers-Central Pennsylvania Section
Announce the Spring 2013 PTRA workshop
As part of the Section Meeting
Millersville University
Electronic and Digital Resources for Physics Teaching

This workshop will be a sharing of methods and ideas for physics or physical science teachers of all experience levels. It will focus on how we can use Electronic and Digital Resources for Physics Teaching. AAPT and other national organizations support digital libraries that can be used to enhance your teaching. Two of these are ComPADRE and NSDL. The ComPADRE Digital Library is a network of free online resource collections supporting faculty, students, and teachers in Physics and Astronomy Education. NSDL is the nation's online portal for education and research on learning in Science, Technology, Engineering, and Mathematics. Participants will be able to explore these resources and decide how they can be used in the classroom to enhance their teaching.

Consider staying for the rest of the Section meeting or at least the Friday evening portion as well.

Date: Friday, March 8, 2013

Time: 8:30 A.M. to 3:00 P.M. (total of six hours)

Place: Millersville University of Pennsylvania

Cost: $60 for each participant. Please make check payable to: AAPT/CPS.

Questions about the workshop can be directed to Dave McCachren (drm34@mcsdk12.org) please include PTRA in the subject line.

Register by sending check and registration to:

Dr. Mehmet Goksu
Department of Physics
PO Box 1002
Millersville University
Millersville, PA 17551

Or email Mehmet.Goksu@millersville.edu with the information and PAY by check at the workshop.
